

Southland Chamber of Commerce Membership

Our purpose is success for our members, business leadership for our community, and prosperity for our region.

Membership means you are not only investing in one of the most influential business organisations in Southland, but you are also investing in your business, your people and the overall wellbeing of the community.

We are an independent voice, advocating on the issues that matter, uniting Southland businesses of all sizes and industries.

Benefits of Membership

The Southland Chamber offers extensive benefits and opportunities for members at every level. Whether you are joining for business advocacy, networking, professional development, marketing opportunities, or to reduce costs, your membership affords you with access to high-quality programmes, events, and officials that will help you achieve your business goals.

Membership is at the heart of everything we do. Your membership subscription includes:
